# About Hubli

**The Vibrant Heart of North Karnataka**

Welcome to **Hubli**, one of Karnataka's most vibrant and rapidly growing cities, known for its rich cultural heritage, warm hospitality and strategic importance as a commercial and educational centre of North Karnataka.

Together with its twin city **Dharwad**, Hubli forms a dynamic urban region that beautifully blends tradition with modernity. While Dharwad is renowned for its artistic, literary and academic heritage, Hubli is widely recognised as a thriving centre of **commerce, business, education and connectivity**.

Hubli offers visitors an engaging blend of **history, culture, spirituality and contemporary urban life**. The city and its surroundings are home to several attractions, including historic temples, cultural landmarks, scenic destinations and places of natural beauty. The region also provides an opportunity to experience the distinctive traditions, cuisine and hospitality of Karnataka.

With its excellent road and rail connectivity and an airport serving the region, Hubli is a convenient destination for delegates travelling from across Karnataka and other parts of India.

For delegates attending **KISAR 2026**, Hubli offers more than a venue for an academic gathering—it provides a welcoming setting to **connect, explore, unwind and experience the warmth and heritage of Karnataka.**
